For constantly striving through all these years to keep abreast of the times; never sparing efforts to please our people; always looking to their interest as well as ours in their dealings with us. Old in years, but young in ideas. This is clearly demonstrated by the merchandise we are showing this spring. Our fine Worsteds Suits that come in all the various styles and colors that fashion prescribes this season, and our Plain and Shadow-Striped Blue Serge Suits that we are selling at \$12.50, are the best values ever offered in Maysville. We have them in all sizes. OUR SHOE DEPARTMENT keeps pace with that of the clothing. It looks as if every one wants Hechinger Shoes. Why? Because we warrant every pair to give satisfaction. We sell the kind we can safely warrant—Hanan, Nettleton, Walkover and Douglas.

New Belt Pins

You must SEE them. They depart so completely from past designs we cannot hope to convey a correct picture in type. Art designs in dull gold, lightened here and there by burnished points set with coral, turquoise and jade. "Arts and Crafts" designs in copper colors toning into greens of many shades. Pearl pins of translucent beauty, handsomely carved.

For all this loveliness you anticipate at least a dollar mark—yet 25c or 50c will make you a proud and happy owner.

Excellent Rug Values

GENUINE WILTON RUGS are offered at decidedly lowered prices. Both Oriental and modern designs and color—all over and medallion figures, perfect new stock that represents the standard in dependable quality.

HARTFORD AXMINSTER RUGS with deep pile, in rich color effects, a quality noted for its durability

and a value that should command a strong selling at the low prices.

NEW KILMARNOCK RUGS—Undoubtedly the most attractive of all domestic rugs, in the well-known "Scotch weave." Designs in Art Nouveau, Morris, etc. Artistic centers with plain shaded or figured borders. A display well worth careful inspection.

Sumptuousness in Suits

To many of our SUITS the word sumptuous may be applied without exaggeration—others are quite simple—all are practical, dignified garments that well-gowned women will admire. As to prices, \$15 to \$40, give some ideas of the leeway offered.

Gloves

The new suit must be finished with new GLOVES. Nowhere can selection be easier or more satisfactory than in this stock. Don't buy until you see it. A broad assortment. \$1 to \$3½.

The Fleming Gazette says five men about Burtonville were arrested Sunday on suspicion of being implicated in the dynamiting of the store of W. B. Cropper. The evidence against them is said to be circumstantial. They were taken to Jail at Vanceburg.

County Attorney Thomas D. Slattery is in Vanceburg today attending Court. He is Counsel for John Brenninger and Rolla Johnson, who are alleged to have been concerned in the dynamiting of Cropper's store at Burtonville a few days ago. Both men are confined in the Vanceburg Jail, being held without bail by order of Court. There is a bad feeling over the matter; charges and counter charges are made by parties on each side of the factions.

Mild Laxative for Baby Free

The child of today is the parent of the future, and whether it grows up healthy and strong, or puny and weak, depends upon the intelligence of its parents, for most children are born into the world healthy, but thousands become future weaklings between birth and the age of ten, when the parents are still in greatest control.

The prime cause of trouble is in the stomach. A baby that is digesting its food seldom cries and always looks cheerful; the little child whose stomach is good romps and plays and never whines; the growing child learns well at school and is eager for fun if its head is clear and its stomach light, and that means if it has no constipation.

The best and safest way to cure any irregularity of the stomach and bowels in children is by the use of Dr. Caldwell's Syrup Pepsin. This is a liquid laxative wonderful in its effect as Mrs. John W. Dunham, Apple Creek, O., Mrs. H. L. Cullam, Plainville, Ind., and numerous others can testify who give it to their children with extraordinary results.

A bottle only costs 50 cents or \$1 according to the size you want, and even one 50-cent bottle will do a wonderful amount of good in a family. It can be given to any member of the family in constipation, sour stomach, indigestion, torpid liver, dyspepsia, heartburn, sick headache and similar digestive troubles. It never gripes or strangles like pills, tablets, salts and powders, which should not be given to children, women or old folks.

If you have a child or other member of the family who needs, but has never used this grand laxative tonic, send your name and address to the doctor and a free trial bottle will be sent to your home. In this way you can find out what it will do without personal expense.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell Bldg., Monticello, Ill.

Have You Tried?

Lydia E. Pinkham's Vegetable Compound? We can furnish positive proof that it has made many remarkable cures after all other means had failed.

Women who are suffering with some form of female illness should consider this.

As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

Gardiner, Maine.—"I was a great sufferer from a female disease and weakness. The doctor said I would have to go to the hospital for an operation but I could not bear to think of it. Lydia E. Pinkham's Vegetable Compound completely cured me in three months."—Mrs. S. A. Williams, R.F.D. No. 14, Box 39, Gardiner, Me.

So, West Harbor, Me.—"I suffered for years with painful periods, backache, headaches, nervousness, irregularities and inflammation. I consulted two physicians and one advised me to have an operation.

"I was completely discouraged when I decided to try Lydia E. Pinkham's Vegetable Compound, and it has made me a well woman. I advise all suffering women to take Lydia E. Pinkham's Vegetable Compound."—Mrs. Lillian Robbins, South West Harbor, Me.

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women, who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

NATURE'S WARNING.

Mayville People Must Recognize and Heed It.

Kidney ills come quietly—mysteriously. But nature always warns you. Notice the kidney secretions. See if the color is unhealthy—If there are settlements and sediment. Passages frequent, scanty, painful. It's time then to use Doan's Kidney Pills. To ward off Bright's disease or diabetes. Doan's have done great work in this locality. James W. Cottingham, East Second street, Vanceburg, Ky., says:

"About two years ago my back became lame and I had almost constant pain across my loins. It was all I could do to drag one foot after another and I was actually too weak to work. The kidney secretions were scanty and I had a difficulty in passing them. I was laid up at one time for a month and could not leave the house. When Doan's Kidney Pills were recommended to me, I procured a box and began their use. My kidneys were soon restored to their normal condition, I became strong and have had no trouble since. It gives me the greatest pleasure to recommend Doan's Kidney Pills to other persons suffering from kidney complaint."

CHICAGO, April 20th.—Bulls in wheat were leaderless today, and a dashing bear raid wrought considerable confusion in the pit, where July closing at \$1.12½ showed a net loss of 3½¢.

Senator Tillman of South Carolina visited the White House for the first time in seven years yesterday morning. Booker T. Washington was waiting to see President Taft when Mr. Tillman arrived, but there were no casualties.

Woman's Friend

Nearly all women suffer at times from female ailments. Some women suffer more acutely and more constantly than others. But whether you have little pain or whether you suffer intensely, you should take Wine of Cardui and get relief.

Cardui is a safe, natural medicine, for women, prepared scientifically from harmless vegetable ingredients. It acts easily on the female organs and gives strength and tone to the whole system.

TAKE CARDUI

The Woman's Tonic

Mrs. Verna Wallace, of Sanger, Tex., tried Cardui. She writes: "Cardui has done more for me than I can describe. Last spring I was taken with female inflammation and consulted a doctor, but to no avail, so I took Cardui, and inside of three days, I was able to do my housework. Since then my trouble has never returned." Try it.

LABOR INSPECTOR DAVIS

Finds Six-Year-Old Children Working in Kentucky Tobacco Factories

Tuesday's Cincinnati Times-Star.

"The tobacco industry is responsible for child labor in Kentucky, where conditions are deplorable, to say the least."

The foregoing statement was made by Thomas A. Davis, Kentucky State Labor Commissioner, at the Palace Hotel Tuesday. Mr. Davis, who, for many years was Editor and proprietor of THE PUBLIC LEDGER, Maysville, Ky., spent Tuesday in making a tour of work-shops and factories in Covington, Newport, Ludlow and other Kentucky towns across the river from Cincinnati.

"In my tour of the State I find," said Mr. Davis, "that the proprietors of tobacco factories bring whole families from the country to the city. In one factory in Lexington I found children of six years and under stripping tobacco. When I required of the proprietor the why and the wherefore, he denied that the children were on his payroll. Their parents were, however, and the parents are paid so much a pound to strip tobacco. The children, I learned, are working for their parents without pay, yet their labor helps a little to swell the family income. It's pretty hard to beat that sort of beating the law. Well, I want to

one of the prominent women of Kentucky, who was instrumental in having the anti child labor law passed. I asked her what to do, whether or not she had a place to keep and care for these six-year-old children if I took them out of the factory. She had not. Neither has the State. So there is only one thing for me to do under the circumstances, and that is to do nothing. But at that we are doing all in our power to enforce the law."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for literature and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75¢. Take Hall's Family Pill for constipation.

For Lumber Given as Reason For Closing of One Thousand Mills in the Southwest

Following a conference held in Kansas City it was stated that nearly 1,000 lumber mills in Texas, Louisiana, Mississippi and Florida will be shut down for an indefinite period.

The efforts to shut down one of the biggest industries of the South is the result of business depression, according to the men engineering the deal. The combine members say they will force up prices and will remain closed for 12 months if necessary.

"It is simply a case of no price for lumber," said F. F. Patterson of Kirbyville, Texas. "There is no business, and rather than sell at any price we can get we will force the dealers to pay our prices by cutting out the supply as long as is necessary."

Judge W. S. Backler, a well known attorney of the Nicholas County Bar, and Mrs. Allie Seerest of Carlisle have been notified that they are the beneficiaries under the will of the late Mrs. Millard F. Patterson of El Paso, Texas. Judge Backler is to receive \$5,000 and Mrs. Seerest \$2,000.

HOW WOMEN DIFFER FROM MEN.

When a woman becomes flurried she feels for a fan. When a man becomes flurried he feels for a cigar.

Women jump at conclusions and generally hit. Men reason things out logically and generally miss them.

Some women can't pass a millinery store without looking in. Some men can't pass a saloon without going in.

Women love admiration, approbation, self-immolation on the part of others. So do the men.

A woman always carries her purse in her hands so that other women will see it. A man carries his in his inside pockets so that his wife won't see it.
